SNAP Recipients

Why don't seniors apply for SNAP?

- Lack of information
- Misinformation
- A complicated application process
- Inaccessibility
- Low dollar amount on Bridge Card

SNAP eligibility is dependent on an eligible household:

A person living alone, or a group of people living together, who customarily buy and fix meals together.

There are some situations where people can apply separately, and others where they must apply together.

Typical SNAP Households

- Husband and wife who live together: should apply together no matter what.
- Mother and daughter live together, but shop and eat separately: should apply separately.

DHHS SNAP Eligibility Determination

- Income
- Assets
- DHHS accepted deductions
- Citizenship: Citizens and non-citizens can be eligible.

DHHS SNAP Deductions

- Deductions are not dollar for dollar

Example 1: A client with an \$11 phone bill will still receive the \$33 deduction.

Example 2: A client with a \$44 telephone bill will also get a \$33 deduction.

- The Shelter Maximum is based on Rent or Mortgage, property taxes, and insurance.

Category	Standard Deduction
Shelter Maximum	\$517
Heat and Utility	\$526
Non-heat Electric	\$131
Water and/or Sewer	\$84
Telephone	\$33
Cooking Fuel	\$36
Trash Removal	\$21

<https://dhhs.michigan.gov/OLMWEB/EX/RF/Public/RFT/255.pdf#pagemode=bookmarks>

Heat and Utility Standard Deduction (\$526)

- Some households may be eligible for the Heat and Utility Standard Deduction if they received the **Home Heating Tax Credit**.
- DHHS receives verification from the Department of Treasury regarding eligibility for the Home Heating Credit.
- People who receive over \$20 from the Home Heating Credit will be eligible for the Heat and Utility Standard Deduction, even if their utility bills are not billed separately from housing costs.

Notes on the Heat and Utility Standard Deduction

The policy changes regarding the Heat and Utility Standard have adversely effected many food assistance recipients.

Those most effected are in subsidized housing.

Free tax help can be found on the IRS website.

<https://www.irs.gov/Individuals/Free-Tax-Return-Preparation-for-You-by-Volunteers>

SNAP Medical Deduction

Only about 14% of seniors enrolled in SNAP take the medical deduction!

- Mileage to appointments
- Insurance costs
- Co-pays, deductibles, and any type of doctor or dental bill
- Prescription drug costs
- Over the counter medications and medical supplies, as long as they are recommended by a doctor.
- Eye doctor or eyeglass bills (Not including over the counter eyeglasses)
- Service Animal with paperwork (Includes care and food for Service animal)

This includes any bills received within the last 90 days.

FAP Benefit Allotment

Thrifty Food Plan: The Thrifty Food Plan (TFP) is one of four USDA-designed food plans specifying foods and amounts of foods to provide adequate nutrition.

Which Benefits Would You Like to Apply For? (All Programs)

- ☒ **Health Care Coverage:** Michigan has many health programs available to children, family and adults who meet eligibility requirements. The goal of these health care programs is to ensure that essential health care coverage is made available to those who otherwise would not have had the financial resources to purchase them.
- ☒ **Food Assistance Program (FAP):** This is Michigan's version of the federal Supplemental Nutrition Assistance Program. Food Assistance Program benefits come on a plastic card, called the Bridge Card, which you can use to buy food at most food stores.
- ☐ **Cash Assistance Program:** This program provides temporary cash assistance for low-income pregnant women, families with minor children, for persons recently admitted into the U.S. as refugees, and for persons with a disability, a person caring for someone with a disability, or persons with a special living arrangement.
- ☐ **Child Development and Care Program (CDC):** Assists qualifying families in paying for child care services when the parent/substitute parent is unavailable to provide the child care because of employment, education, participation in an approved activity, and/or because of a health/social condition for which treatment is being received.

- ☐ **State Emergency Relief (SER) - Burial Services:** This program is designed to assist with burial when the descendant's estate, mandatory copayments, etc. are not sufficient to pay for burial, cremation, or costs associated with donation of a body to a medical school.
- ☒ **State Emergency Relief (SER):** This program is primarily designed to assist low-income households who are normally able to meet their needs but may need help with their heat, electric, furnace, relocation assistance and homeownership services.

Your energy provider may be able to give your account information to MDHHS for the purpose of this application using a web-based service. The account information they provide will include the name on the account, the service address, the shutoff amount and the payment history. We will use the information returned from them to answer some of the SER-Energy questions in this application.

You will not be able to change the information given to us by your energy provider. But if you disagree with the information they have provided, you may contact them directly.

If you do not want to have your energy provider release your account information to MDHHS through this web-based service, or if your provider is not currently participating in this option, you will have to complete all the application questions and provide us with your energy bill.

- ☒ I authorize MDHHS to contact my energy provider using web-based services to release my account information for the purpose of this application for SER Energy services.
- ☐ No, I do not want MDHHS to contact my energy provider by using web-based services. I will enter all the information myself.
