The MiCAFE Network is a program of Elder Law of Michigan, Inc. (ELM). Elder Law of Michigan, is a nonprofit organization whose mission is to advocate for, educate, and assist our target populations. While our services address the needs of many different people, we continue to target our services to older adults and persons with disabilities. We provide no-cost counseling on legal, pension, housing, nutrition, and benefits access. We also provide direct and collaborative partner assistance to organizations that work with our target populations. We receive financial and in-kind support from many sources, including the U.S. Administration for Community Living, Michigan Department of Human Services, Michigan Office of Services to the Aging, the National Council on Aging, the Michigan State Bar Foundation, over 120 community organizations throughout Michigan, several hundred volunteers, and over 100 donors. Contributions of time, money, and other resources are always appreciated and can be made at [www.elderlawofmi.org/donate](http://www.elderlawofmi.org/donate).
